

## What is TraxeroGO?

TraxeroGO is a simple and intuitive solution for towing and roadside professionals which enables them to participate in end-to-end digital dispatch without monthly or annual software fees. TraxeroGO is 100% free to accept Tesla calls or to track cash calls. TraxeroGO also integrates TowPay, a pay-as-you-go payment processor from TRAXERO, for any cash calls or co-payments.

### Key Features

- Easy Onboarding: Just login and add provider ID(s)
- Receive and Accept digital offers
- Dispatch calls to drivers via iOS and Android
- Share GPS and status updates
- Digitally update ETA, request GOA, or cancel a dispatch
- View detailed call information
- View call history

### Additional Benefits

- Manage all calls, including motor club calls and cash calls
- Integrated payment processing with TowPay (pay as you go pricing with no term contracts or monthly fees)
